RULES AND REGULATIONS

- 1) Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or false information given on the application. Failure to comply with the conditions of this permit shall be just cause for the immediate suspension or revocation of any or all permits and the operator and/or owner of the vehicle subject to appropriate legal action.
- 2) Oversize permits are issued for daylight hours only, Monday through Saturday. Permits are not valid from 12 noon on the day preceding and continuing until daylight of the 1st day after the holidays here listed: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas, except with the approval of the Permits Department when emergency repair movements are necessary in the best interest of public safety and welfare. Permit valid only if favorable driving and traffic provisions prevail.
- 3) The movement shall not impede other traffic in an unreasonable manner and at no time shall traffic be blocked from use of the highway. Vehicles and loads shall not be parked loaded or unloaded on the highway at any time.
- 4) Vehicles shall be registered as required by the Michigan vehicle code and will not violate any statute or valid ordinance, rule or regulation by any state agency or sub-division of the state. Vehicles are to comply with all statutory provisions as to other permits, licensing, motor vehicle equipment and operation.
- 5) The driver of the vehicle shall carry copies of this permit and rules in the vehicle to which it applies and shall have these documents available for inspection by any police officer, motor carrier officer or Road Agency employee or duly authorized road agency agent.
- 6) Applicant shall be responsible for any damage caused to wires, mailboxes, trees, buildings or the road, including the structures and appurtenances, and shall reimburse the appropriate parties for any damage caused by the moving of said vehicle or load. The applicant shall assure that the road agency is held harmless of any claim arising out of or related to the moving of said vehicle, load or its presence on or use of the highway by said vehicle and load. The applicant agrees to reimburse the agency for any damage resulting from disregard of this permit.
- 7) Permits are not valid if insurance expires. Applicant to present evidence that at least the following insurance coverage shall be in full force and effect on each vehicle while operating on the public highways under special permit:

Bodily Injury liability - each person	\$500,000.00
Bodily Injury liability - each accident	\$1,000,000.00
Property Damage liability - each accident	\$1,000,000.00
Single Limit Policy	\$1,000,000.00
Worker's Compensation	Statutory Coverage

- 8) Permits will be issued only for vehicles owned by the applicant or operated under a bona fide lease or rental agreement. The applicant may be required to deposit a reasonable inspection fee and to furnish a good and sufficient cash bond to cover any damage that might occur to roads, bridges, or highway structures, by the movement of vehicles and objects under the proposed permit.
- 9) Permits will not be issued for oversize or overweight vehicles or loads which can be readily dismantled, reduced or otherwise rearranged to come within the legal limits. Permits will in no way supersede posted axle loading limits on any bridge or highway. The applicant agrees to reimburse the Road Agency for any damage resulting from disregard of such postings.
- 10) The equipment shall be loaded on the vehicle in such a manner to reduce to a minimum the excess over statutory size or weight limitations and the least width or length dimensions becomes the width of the load. The Applicant shall verify the route is clear of overhead obstructions prior to any movements. Striking or damage to any structure or facility will be perceived to be noncompliance with this section and will result in termination of this permit.
- 11) The Road Agency may temporarily suspend or revoke a Super Move Permit, either in its entirety or in respect to certain of its provisions, due to seasonal conditions, other special conditions or if it is in the interest of the public's safety.
- 12) Movement to be made during periods of reduced traffic. Vehicles traveling under this permit shall maintain a distance of not less than 2,000 feet apart.

RULES AND REGULATIONS

- 13) The movement requires the display of clean, plain, red or orange flags of at least 18 inches square. One flag shall be displayed at each of the four corners of the vehicle or load; and if any portion of the load extends beyond the width of the corner flag, one additional flag shall be displayed at the widest point on each side of the vehicle or load. Flags should be securely fastened by at least one corner or securely mounted on a staff.
- 14) When width exceeds 12 feet or the length exceeds 80 feet the load shall be followed by one escort vehicle (passenger car or pickup truck) reasonable distance in rear of the movement with at least one flashing amber light on top of cab. When moving on 4 or more lanes load to be also preceded by one escort vehicle (passenger car or pickup truck) a reasonable distance in front of the movement with at least one flashing amber light on top of cab. Amber lights are to be visible for 360 degrees for a distance of 500 ft.
- 15) Permit not valid on highways which are posted for lighter than normal loadings and vehicle exceeds axle loadings as posted, or when restricted loadings are in effect.
- 16) The vehicle covered by this permit shall not exceed 35 M.P.H. at any time.
- 17) To be towed by at least a 1 1/2 ton truck with dual wheels. Applicant shall insure vehicle has adequate HP and braking to pull the load. Auxiliary power unit required on move.
- 18) Police supervision of traffic required on move. Permit not valid for movement when wind velocity exceeds 25 MPH. Permit valid only if favorable driving and traffic conditions prevail. Movement must minimize the obstruction of normal flow of traffic. Continuous two-way communication is required between escort vehicles and the towing vehicle. The transporting of a Building or Special Load is allowed only when the surface condition of the highway is not slippery.
- 19) In the event of a breakdown or unavoidable delay, an attempt shall be made to remove the building from the highway. If the building cannot be removed it shall be clearly marked with warning lights and shall be attended by personnel to assist in directing traffic.
- 20) A building may be moved between the side rails of bridges if the horizontal clearance between such rails exceeds the width of the building by at least 12 inches. If the width of the building is greater than the horizontal clearance of any bridge, the building must be loaded on the moving equipment in such manner that the under side of supporting cross members will clear the rails by at least 12 inches at all times.
- 21) A load shall be arranged to effect the minimum dimensions for height, length or width. All hydraulic attachments or mechanisms must be securely immobilized with adequate chains and binders. Vehicles must have air or lift axles on ground.
- 22) A uniform fee schedule has been established, additional fees may be assessed based on the administrative costs incurred by Road Agency for the issuance of the permit consistent with MCL 257.725(6).
