PROPOSAL
for
Sisson Hwy at Laberde Rd Intersection – Springbrook Drain

We propose to design, furnish and delivery of One (1) Single Cell Concrete Box Culvert Structure, according to the following listed requirements and specifications.

One (1) Single Cell Concrete Box Culvert:

Design and furnish one (1) 50 Lin. Ft, 13-foot span by 9-foot rise. Fabrication of structures shall conform to American Standard of Testing Methods (ASTM) C1577 and Michigan Department of Transportation (MDOT) 2012 Standard Specifications for Construction, Section 401 Culverts and any other respective Subsections. The concrete box culvert shall be built in 1 phase and comprised of 8 pre-cast sections and based on 2 (two) foot of cover.

Construction drawings shall be furnished with box culverts to show the complete assembly procedure.

Manufacture:

All sections of culvert shall list lift weights for crane lifting capacity and provide lifting holes and/or hardware as required.

Insurance:

The bidder shall have been regularly engaged in the design and manufacture of such structures and shall show evidence of having furnished such structures. Bidders shall submit an insurance certification with the bid showing not less than one million dollars liability protection covering design and/or materials furnished.

Design Drawings:

All bidders shall furnish a complete and detailed list of materials with the bid. In addition, all bidders shall supply a design drawing that shows the culvert being furnished. The successful bidder shall furnish within two (2) weeks of award of three (3) sets of complete structural design plans sealed by a registered engineer in the State of Michigan and submit calculations for approval before any material is processed.

Design Load Capacity:

HL-93 in accordance with current AASHTO specifications.

Delivery:

Materials to be delivered by truck to the job site within 30 to 60 days from receipt of purchase order.

A certified or cashier's check equal to 5% of the bid price payable to the Lenawee County Road Commission must accompany each bid.

This bid to remain firm for a period of thirty days.

Following the bid openings, the bids are reviewed by various staff members to determine recommendations to the County Board of Road Commissioners on their next regular meeting date. During this time period, the bids are closed and information regarding the bids is not available.

The right is reserved to accept or reject any or all bids or any part of same, to waive irregularities and/or informalities in bids and to make the award in whole or in part as may appear to be in the best interests of the Lenawee County Road Commission and Lenawee County.
